

Education

- **B.Sc.: Physics**, Department of Physics, Aristotle University of Thessaloniki, Greece, 2005 – 2011
- **M.Sc.: Environmental Physics**, Department of Physics, Aristotle University of Thessaloniki, Greece, 2011 – 2014
- **Ph.D. Student: Laboratory of Atmospheric Physics**, Department of Physics, Aristotle University of Thessaloniki, Greece, 2014 – now

Research Fields

- **Atmospheric and Environmental Physics.**
- **Evaluation/Validation of Atmospheric Models.**
- **Numerical Weather Prediction and support of Air Quality Forecasting.**
- **Urban meteorology/climatology, focusing on the Urban Heat Island (UHI) effect.**
- **Human-biometeorology, emphasizing on the assessment of the thermal bioclimate.**
