

# Ricardo Morales Betancourt

- Ph.D. Earth and Atmospheric Science (2013-expected), Georgia Institute of Technology
- M.Sc. Physics (2008), Universidad de los Andes, Colombia
- B.S. in Physics (2006) - B.S. in Chemical Engineering (2007), Universidad de los Andes, Colombia

## Research

Improving the representation of the Aerosol-Cloud interactions in Global Climate Models.

## Regional apportionment of variability due to aerosol parameters
